The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Halsey Municipal Water Well and Water Treatment Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Halsey, located at 100 Halsey St., Halsey, OR 97348. The funding would be used to finish construction of a new drinking water well. The project is an appropriate use of taxpayer funds because it addresses a serious threat to the city's public health – lack of clean drinking water.

The project has a federal nexus because the funding provided is for purposes authorized under Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Janelle Bynum
Member of Congress
