The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Happy Valley Community Center in Fiscal Year 2026. The entity to receive funding for this project is the City of Happy Valley, located at 16000 SE Misty Dr., Happy Valley OR 97086. The funding would support the construction of a community center to serve athletic and community needs not otherwise available in or near the city. The project is an appropriate use of taxpayer funds because it will expand current community residents' access to local services while also accelerating the development of downtown properties and supporting future jobs and livability.

The project has a federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Janelle Bynum
Member of Congress
