The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Oregon City Water Transmission Main, Phase 3 in Fiscal Year 2026. The entity to receive funding for this project is the City of Oregon City, located at 625 Center Street, Oregon City, OR 97045. The funding would be used to complete the final phase of Oregon City's Water Transmission Main construction, enhancing the City's water system reliability. The project is an appropriate use of taxpayer funds because it supports the development of a water infrastructure project which improves water quality and protects public health.

The project has a federal nexus because the funding provided is for purposes authorized under Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Janelle Bynum
Member of Congress
