The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Cinder Hollow Affordable Housing Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Redmond, located at 411 SW 9th Street, Redmond, OR 97756. The funding would be used to support the development of at least 30 owner-occupied homes, all affordable at or below 80% AMI, through the development of required on- and off-site infrastructure. The project is an appropriate use of taxpayer funds because it provides a rare opportunity to build much needed affordable housing in an otherwise economically out-of-reach neighborhood for many.

The project has a federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Janelle Bynum
Member of Congress
