The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. Capitol  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Roundabout at Shaff and Wilco Road Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Stayton, located at 362 N 3rd Avenue, Stayton, OR 97383. The funding would be used to construct a roundabout necessary to facilitate private investment and economic development on approximately 80 acres in West Stayton. The project is an appropriate use of taxpayer funds because the infrastructure upgrades it would fund are critical to opening up the entire area to private investment and job creation.

The project has a federal nexus because the funding provided is for purposes authorized under 23 USC 133.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Janelle Bynum  
Member of Congress
