The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. Capitol  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Redmond Childcare and Family Services Hub project in Fiscal Year 2027. The entity to receive funding for this project is the Central Oregon Regional Housing Authority, dba Housing Works, located at 405 SW 6th St, Redmond, OR 97756. The funding would be used to construct a childcare and family services center in Redmond, Oregon. This project is an appropriate use of taxpayer funds because it establishes a permanent community facility that supports affordable childcare, increasing access for working families – especially low- and moderate-income households – and promoting long-term regional economic stability.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Janelle Bynum  
Member of Congress
