The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Molalla for Wastewater Filter and UV Cover project in Fiscal Year 2027. The entity to receive funding for this project is the City of Molalla, located at 117 N Molalla Ave, PO Box 248, Molalla, OR 97038. The funding would be used to plan, permit, and construct a protective cover over a wastewater treatment area to safeguard equipment and improve operational performance. This project is an appropriate use of taxpayer funds because it adds protective coverage over critical equipment at a wastewater treatment facility, supports reliable service, lowers maintenance costs, and promotes safe and efficient water service for a growing community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Janelle Bynum
Member of Congress
