The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Stayton for the Emergency Drinking Water Intertie project in Fiscal Year 2027. The entity to receive funding for this project is the City of Stayton, located at 362 N 3rd Avenue, Stayton, OR 97383. The funding would be used to construct an emergency drinking water intertie to improve connectivity. This project is an appropriate use of taxpayer funds because it modernizes critical wastewater infrastructure in a rural community while also improving reliability, protecting public health and water quality, and ensuring safe, efficient operations.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Janelle Bynum
Member of Congress
