The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Redmond Fire District Aerial Fire Truck and Equipment Acquisition project in Fiscal Year 2027. The entity to receive funding for this project is the Redmond Fire and Rescue District, located at 341 NW Dogwood Ave, Redmond, OR 97756. The funding would be used to replace an Aerial Fire Truck and associated equipment. This project is an appropriate use of taxpayer funds because it enhances emergency response capacity, increases safety, and strengthens fire and rescue services for residents and neighboring communities in a rapidly growing, high-risk area.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Janelle Bynum
Member of Congress
