The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Santiam Sewer Project in Fiscal Year 2026. The entity to receive funding for this project is Marion County, located at 5155 Silverton Road NE, Building 1, Salem, Oregon 97305. The funding would be used to construct the Mill City Water Pollution Control Facility which will serve the cities of Mill City and Gates. The project is an appropriate use of taxpayer funds because it supports the development of a water infrastructure project which improves water quality and protects public health.

The project has a federal nexus because the funding provided is for purposes authorized under Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Janelle Bynum
Member of Congress
